Community App

Sign-in:

For first-time users, one-time password (library card #) is issued. Expires after 2 weeks.

Username

Password

2 factor authentication

Home: Boards, Community News & Events (Library Events, Drawings)

About: Mission statement, Prize Rules, Community Coordinator & Staff

Boards can be: **Recycling**

    Barter

    Yard Sale

    Donations

    CSA Directory

    Rideshare

Contact: Submit posts, suggestion box, contact information

App is customizable by community coordinator. Boards and board posts can be added or deleted. The community coordinator loads and maintains resource link databases for community and home apps that are requested, useful, or needed in their communities. All users are verified and added through the community library, and community coordinators update community news and eco-friendly events and maintain the community app.
